Text: "Spreadsheet Modeling & Decision Analysis, 5th edition" by Cliff T. Ragsdale (2007)

Course Description: Identification, collection & analysis of an organization's data both internal & external, & use of the resultant information in managerial decision making. Prerequisite: graduate students only

Course Learning Objectives:

- To develop an understanding of the tools and techniques used in support of managerial decisions.
- To strengthen skills in the use of Decision Support Systems, Spreadsheets, and Web Applications.
- To provide a foundation for specialization in areas that emphasize quantitative applications.

Grading	Points
1 Midterm Exam	100
1 Final Exam	100
Cases and Turn-in Assignments	100
Daily Homework Checks	50
Total	350

- **Academic Integrity:** Cheating will not be tolerated. When taking exams, eyes must remain on your own exam, with your work covered. If there is a suspicion of copying, you, or someone around you will be asked to move, as a first warning. After the second incident, you will be asked to leave. Any evidence of cheating on the exams themselves will lead to an automatic F in the class with possible follow-up discipline. Please refer to the student code of conduct for information regarding appeals processes etc.
- **Incompletes ("I" grades):** Given for passable work that could not be completed due to circumstances beyond the student's control (e.g., severe illness, death in the immediate family). These circumstances must have developed after the last day to withdraw from the course. Requests for "I" grades should be made to the instructor, but must be approved by the Management Department Head.
- **Withdrawals:** It is the responsibility of the student to know important dates such as University drop dates; last day to withdraw with a W is Oct 15. Moreover, it is the responsibility of the student to officially withdraw from any class that he or she intends to drop.
- **Disabilities/Employee Relations:** Call the Director of Institutional Equity at 505.646.3635 with any questions you may have about NMSU's Non-Discrimination Policy & complaints of discrimination, including sexual harassment. Call the Coordinator of Services for Students with Disabilities at 505.646.6840 regarding student issues related to the Americans with Disabilities Act (ADA) and/or Section 504 of the Rehabilitation Act of 1973. All medical information will be treated confidentially.
