**ADVISING NOTES:**

- Students planning to do graduate work in mathematical economics or statistics are urged to take MATH 191 (in place of MATH 142G) and MATH 192. A grade of C or better is required in 191.
- Students choosing Quantitative Economics (option "A") will take an ECON elective during *Junior 2*, and \*ECON 457 during *Senior 1*. Students choosing Foreign Language (option "B") will take a level-200 (or above) foreign language course during *Junior 2* and *Senior 1*.
- Courses in "**BOLD**" require a grade of "C" or better for Economics majors.
- Courses prefixed by \* indicate prerequisites are required. Students are responsible for checking and fulfilling course prerequisites listed in the undergraduate catalog.
- Although E ST 311G is counted toward the total of 48 upper division credits required for graduation, this class will **not** satisfy requirements calling for an upper division Business or E ST course.
