**MINUTES**

The meeting was called to order at 1:30 p.m. by Garrey Carruthers, co-chair of the consortium. He welcomed the group and offered Michelle Stobnicke, our host at Santa Fe Community College an opportunity to describe arrangements for the meeting, including a reception later in the day with food provided by culinary arts students.

Robert Guthrie then asked those present to briefly introduce themselves.

Minutes of the spring 2007 were reviewed. Following correction of King Mike's name in the list of attendees, a motion to approve the minutes was approved.

Next the articulation and transfer matrix was reviewed for updates were provided.

CNM updated numbers for its courses.
