MEMORANDUM

TO: Participants -- NM Business Articulation

FROM: Danny Arnold

SUBJECT: Articulation Course Matrix -- Business Administration

DATE: January 23, 1995

Enclosed is the updated NM Articulation Course Matrix for Business Administration. Numerous changes, mostly related to new course prefixes and numbering schemes at participating schools, were made based on input provided at the articulation conference hosted by our college on November 11 and 12, 1994. Additional changes were made as a result of follow-up with institutions not in attendance at the November conference.

Please review the matrix to ensure that the information for your school is accurate. If corrections need to be made, notify my administrative assistant, Celina Talamantes (telephone: 505-646-4083; fax: 505-646-6155)

I ask that you distribute copies of the matrix to all individuals/units at your school who have responsibility for articulation and credit transfer issues. Thanks again for your participation in our articulation efforts.

Encl.
