1. Approval of circulated minutes of February 25 meeting.
The minutes were approved as circulated.

2. Discussion of Business-specific goals and assessments.
We discussed the advantages and disadvantages of the various approaches, and
decided to postpone consideration to March 11, 2013 so we can individually review
the AACSB proposed guidelines.

Randy McFerrin told us about the experience of ENMU using the ETS assessment
tool. In line with the decision to postpone consideration, we will take this up at a
later date. The ETS assessment has two important advantages. It involves no
evaluation burden on the faculty. The national norming provides a comparison with
other schools. An unanswered question: which (if any) of our peer group use this
assessment?

3. A retrospective look at the effects of the "straw proposal" to raise requirements
for admission to UD Business courses. (Document to follow.)

We considered the preliminary analysis and asked for some clarifications.

4. Adjourn.
The meeting was adjourned at 4:45 PM.
