Technology Advisory Committee

Meeting was held on 11/22/2013 at 12:30 pm.
Present: Paul Hamilton, Nate Whitten, Carlo Mora, Ken Martin, Jennifer Kreie

Those present discussed the standard build for computers in the BC lab, BC 115, and GU 303. The college classrooms and lab will begin using MS Office 2013, starting in January. Other software were discussed as to whether they should remain as part of the standard build, be upgraded or removed.

Paul provided information about upcoming changes in the next six months to servers and other computer hardware.

Paul and Ken are checking into upgrading the stock ticker display around BC 115.
