Why are you in college? What do you want to get out of college?

Degree….a better job….more opportunities….more $$$$

YOU are not a CHEATER!
YOU are not a THIEF!
Who is paying for you to be in college?

Average student loan debt, in 2015, was $35,000

Is being a CHEATER and a THIEF worth $35,000 in debt AND no education?
Build relationships of trust with:

- Friends
- Professors
- Yourself

To be trusted is a greater compliment than being loved.

Trust is like paper... once it’s crumpled it will never be perfect again!

The more that you learn, the more places you’ll go.
