Five Million Dollars Will Be Raised for
New Mexico State College Foundation

State College Association
Perfected a Gigantic Plan
That Will Bring Their
College Into Its Own

The plan has been worked out in its entirety, and the establishing
work is now well under way. President Harry Kent will have charge of the organization and a corps of efficient men
and women will affiliate themselves with him in bringing this
collection to a realization. One One-Hundred Dollars Donor of the New Mexico State College Association, which are functioning
all over the United States with enthusiastic success. Every
realizes that this is the biggest undertaking since the creation of the
institution. Every one recognizes the importance of this undertak-
ing, because it is well known that the New Mexico State College is
growing, expanding, extending its usefulness in many lines touching
the everyday life, and meeting the everyday needs of the people as
no other institution in this field can ever hope to do. We have the
largest, strongest body of college students that the institution has ever
had, and a faculty imbued with more mobility, energy, and enthusiasm
than ever before. The College is better known and more highly re-
garded in New Mexico and the Southwest than ever. The future is
asured, and every one rejoices. The farmer students, the farmers of the State of New Mexico are
filled with this spirit of enthusiasm for the building of the institution;
and they will cooperate fully with the foundations of other State
Institutions in this great United States of Ours.

The New Mexico State College is a young giant with growing powers. She is "reaching out on a young men to run a race," but she holds on her feet. We will receive this handful and turn her loose, as upon a Marathon. She will start to meet the growing demands put upon
her by the boys and girls who come from high schools for remedial work, and she will be able to give more knowledge—bouncy for the understanding of 8th and 9th grade pupils, and the problems thereof.

This Foundation will construct, first, a discreet library and library building, for it will be used exclusively for the library, where a boy's building is provided later for the boys. Second, a conservatory of music with a large auditorium surrounded by practice and recital rooms which can be opened into the auditorium for capacity recitals. Third, the buildings of a swimming pool or a great store of the student's health or a great store of the student's health, and the student's health, or an athletic and study, or recreation and study, especially provided for

First Appropriation of Fifty Thousand Dollars Is In

A FLEDGE OF FIFTY THOUSAND DOLLARS WAS PLACED IN THE HANDS OF CHAIRMAN THOMAS C. BENNETT LAST SATURDAY, GIVE HIM A CHANGE IF YOU TELL HIM ALL ABOUT IT.

If the library reaches into the thousands of dollars, shall be limited only by one's ability to pay. It shall be the chief, no soda, no more.

When this fund has been thoroughly covered and the population shows it will fall for its works, we shall then be in a strong position to approach men of large means. In these times, men are unusually quick to respond when assured that the cause is worth and that contributions will be permanently
and wisely utilized for the purpose intended.

To make a solicitation of a part of your funds or earnings, be better delighted, but when part of your life means revenue of that which is sold and best in the... The days are spent at the College. While

You will have the opportunity to contribute to the first movement in this Foundation, which is within his own means and so be necessary for a great extent. After answering these above questions, we must let nothing interfere with the progress of this movement. We shall not get behind in our progress. We shall

Oh Boy! On With the Big Stuff!

The Grand Chapter meets this afternoon, following the Alumni meeting.
The Grand Chapter consists of the president and co-presidents of each chapter of The New Mexico State College
Association.
You will readily recognize the fact that this is an executive committee, the purpose of which is to function for the laying of plans and appointing of commis-
sioners to be put into operation by the respective chapters. It is the duty of each member of each chapter to have any form of business for the good of the College brought up by his respective officer as president at the meeting of the Grand Chapter. Acknowledge your obligation by being active, full of pep and spirit. There is much work to be done and every effort, on the part of every member will help. A five million dollar Foundation is not a bad start.
