COURSE OBJECTIVES:
To introduce students to the basic concepts of financial accounting. Companies prepare financial statements primarily for investors, creditors and other interested external users. In this course, we emphasize the use of financial accounting information to prepare financial statements and to assess a company’s financial strengths and weaknesses.

At the end of the course you should be able to
1. List the purpose of the four required financial statements
2. Create a balance sheet, income statement and retained earnings statement
3. Define assets, liabilities, stockholders’ equity, revenues and expenses
4. State the accounting equation and illustrate how changes affect it
5. Explain the difference between cash and accrual bases of accounting
6. Prepare basic journal entries
7. Prepare adjusting entries
8. Compute and analyze basic ratios

Specific College of Business Program Goal Course Objectives for ACCT 252:

This course is a core course in the Bachelor of Business Administration (BBA) degree program. The primary program learning goals to which this course contributes are: 1) Students can solve problems and 2) Students can think critically.

1. Improve your ability to think critically.
To think critically, you need to identify and clearly state the problem, select appropriate concepts or tools to solve the problem, identify relevant information, and form a clear comprehensive recommendation supported by appropriate evidence.

2. Improve your ability to solve problems.

LEARNING METHODS:

Upon registering for this course you will enrolled in the Canvas course. You may access it via the Internet at http://learn.nmsu.edu. This site will be used for Introduction material, announcements, email & discussions, and to provide links to Wiley Plus, PowerPoint
presentations w/ a lecture for each chapter are available in Canvas. Periodically you may be asked to turn in homework via Canvas. You are expected to check Canvas on a regular schedule for announcements and updates. It is encouraged that you use the discussion boards to aid in your learning process.

All homework, quizzes, and study material will be available to you through Wiley Plus. If an assignment is to be turned in via Canvas you will receive specific instructions. The course will be paced so that the entire class will be studying the same material at the same time. As we finish a chapter, the material for the next chapter will become available. This will allow the class to participate in discussions on the same material. A reading assignment will serve as a study guide for each chapter.

Being an online class, you must do a lot of self-learning. This method of learning accounting can be more difficult than a face-to-face class. It is important that you are self-disciplined and dedicate time to the class. This is a FAST paced class. There is a lot of material to cover during the semester. **It is vital that you treat this online course as you would a regular in-class course.** Set aside time each week to study, complete homework assignments and take quizzes. To be successful, it is recommended that you set aside 15-18 hours/week (minimum) to study for this course. It is important that you study and plan ahead so that you have sufficient time to ask for assistance if needed. The class moves at a fast pace and it is important that you do not get behind. **Make up quizzes and assignments will NOT be given.**

Tutoring Lab - There is an accounting tutoring lab on campus. It is located in the Business Complex. Online tutoring and tutoring via Skype is also available. You will have a link to the online tutoring in Canvas.

**GRADE COMPOSITION:** Determination of the final course grade will be based on the cumulative points you earn from the following evaluations: This is subject to change as circumstances dictate.

<table>
<thead>
<tr>
<th>Task</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Participation</td>
<td>50#</td>
</tr>
<tr>
<td>Homework</td>
<td>140</td>
</tr>
<tr>
<td>Chapter Quizzes (11 @30 pts each)</td>
<td>330*</td>
</tr>
<tr>
<td>+Semester Exams (2 @ 150 pts each)</td>
<td>300</td>
</tr>
<tr>
<td>+Comprehensive Final</td>
<td>200</td>
</tr>
<tr>
<td>Project</td>
<td>100</td>
</tr>
<tr>
<td>Total Points Available</td>
<td>1120</td>
</tr>
</tbody>
</table>

Grades are guaranteed according to the following scale:

- **A:** 90% and above
- **B:** 80% - 89%
- **C:** 70% - 79%
- **D:** 60% - 69%
- **F:** below 60%

+ These are proctored exams. See details on proctored exams below.
Participation points will be based on your completion of reading assignments, practice quizzes and posting questions and comments on class material in Canvas. Details will be provided during the semester.

*The lowest quiz score will be dropped at the end of the semester in determination of the final grade. There are 12 chapter quizzes, but only 11 will be used in the determination of the final grade.

There will be NO extra credit projects available to individual students.

Graduate students must earn a grade of “B” or better to qualify as satisfactory performance under an S/U option.

**Reading Assignments & Practice Quizzes:** There is a reading assignment and practice quiz available for each chapter. These are not required and are not gradable assignments. However, they are recommended as they will help you learn the material. It is recommended you browse the study resources in WileyPlus for each chapter for additional resources. There is also a PowerPoint available for each chapter with voice overs from a NMSU instructor for this class. These Powerpoints are available in Canvas.

**Homework:** Chapter homework assignments are given to help you merge the concepts learned with related applications. Knowledge gained by completing the homework will prepare you for the chapter. It is due at 11:00pm of the due date. You may complete the homework after the due date, but there will be a 50% point deduction.

**Chapter quizzes:** There will be a quiz over each chapter. The quizzes will test concepts and tools. The quizzes will be found under “Assignments” in Wiley Plus. Each quiz will consist of 30 questions that may be multiple choice, short answer, or problem questions. The quiz will be available the entire week we are covering a chapter. You have 60 minutes to take the, so you need to prepare ahead of time. There will be 2 quizzes available for each chapter. You are only required to take the quiz one time. If you choose to take it twice, your highest grade will be your final grade for that chapter quiz. You may NOT take the quiz after the due date.

**Exams:** There will be two exams during the semester and a comprehensive final exam. The exams will be based upon text material, homework assignments and class discussion and will consist of various types of questions and problems including multiple choice and true/false and will include written and/or essay questions. The semester exams will each cover four chapters. The final will be comprehensive.

All exams are required to be proctored. See the information in Canvas (Getting Started Module) for specifics and links to required paperwork. If you live within 75 miles of Las Cruces and take in-person class on campus, you must take the exam in person on the scheduled date. If you are traveling or will be out of town on the scheduled date, I need to be informed well in advance and we will discuss options. If you live further than 75 miles from campus you **must find and register your own proctors** no later than one **week prior** to each exam. Acceptable proctors are universities, community colleges, libraries, Sylvan Learning Centers, etc. There is a free NMSU testing center in Albuquerque. Please contact the instructor in advance if you need assistance finding an acceptable proctor. The proctor must be approved by the instructor BEFORE the exam date.
The exams will be February 22, April 5, and May 8 (Final). Times and locations will be announced. Please be prepared to be on campus on that day if you live within 75 miles of Las Cruces.

There will be NO MAKEUP EXAMS granted. If you miss the exam, you will receive a 0. Talk to the instructor in advance if you have an extreme emergency or class conflict. I will try to work with you if you talk to me in advance, but NO EXCEPTIONS will be made after the testing period has passed.

**Project:** There will be an end of semester project. The semester project will be completed in WileyPlus and will be due May 3rd. Details will be provided as the semester progresses.

**COURSE STANDARDS**

You are responsible for all materials covered and announcements posted online in announcements of Canvas.

Grades for all assignments will be posted to the “Grades” on Canvas. You have 2 weeks from the time grades are posted to dispute a grade. After this 2 week period, the grade will be locked and WILL NOT be changed.

**Schedule:** You are given advance notice of due dates for all assignments, quizzes and exams. Homework, quizzes and exams will not be accepted after the posted due date. Make up assignments will NOT be given.

**Dishonesty:** You are expected to take the quizzes and exams individually. Plagiarism will not be tolerated and will, at a minimum, result in a "0" on the assignment. See your student handbook for a definition and a list of penalties if caught. Cheating on examinations, or other serious forms of academic dishonesty, will result in a grade final course grade of "F" (and a required report to university officials).

**Incomplete ("I" grade):** You should be aware of the Incomplete Grade policy. The grade of "I" will only be assigned according to the guidelines in the current Undergraduate Catalog.

---

**STUDENTS WITH DISABILITIES:** If you have (or believe you have) a disability & would benefit from classroom accommodation(s), contact the Services for Students with Disabilities (SSD) at Corbett Center, Room 244 (Phone 646-6840; TTY 646-1918). All medical info is treated confidentially. Do not wait until you receive a failing grade. Retroactive accommodations cannot be considered. Information, instructions & forms from the Services for Students with Disabilities Office are online at [http://www.nmsu.edu/~ssd/index.html](http://www.nmsu.edu/~ssd/index.html).

**Accommodations:** SSD Office, 646-6840 (Corbett Center, room 244); Discrimination: Office for Institutional Equity, 646-3635, O’Loughlin House.
