COURSE NUMBER AND TITLE: BCIS 480 and BCIS 590: Ecommerce Security

FACULTY'S NAME: Oliver, Richard L.

ABOUT THE INSTRUCTOR: Click Here

OFFICE HOURS AND LOCATION:

- Tuesday 5:00 pm – 5:45 pm on Adobe Connect
- Thursday 5:00 pm – 5:45 pm on Adobe Connect
- And by appointment!

TELEPHONE NUMBER: 646-2944

E-MAIL ADDRESS: Richard Oliver in Canvas Conversations

CONTACTING THE INSTRUCTOR:

1. The best way to contact me is through Canvas Conversations. I will be reading and answering Canvas Conversations several times a day. I do not check my NMSU email nearly as often. Also, I usually check my Canvas Conversations late in the evening (midnight or so) and then again in the morning at 6 am. So if you send a message late, please check it again after a little while! I might well have seen it and responded! I also check my messages just as frequently during the weekend. If I am going to be on travel, I will mention that in a message so you will be aware of slow response times.

2. You can use my office phone 575-646-2944. However, I do not check that every day, so there could be a bit of a lag. Please also use Canvas Conversations.

TEXTBOOKS:

COURSE PURPOSE: Introduction to securing network-based applications from internal and external threats. Fundamentals of network security, including TCP/IP, firewalls, intrusion detection, and vulnerability. Prerequisite(s): C or better in BCIS 460 or E T 377 or consent of instructor.

COURSE STRUCTURE: Click Here

RESPONSE TIME FOR FEEDBACK ON YOUR WORK PRODUCTS:

I recognize your desire for and the educational value of timely and succinct feedback on your work in this course. There are three categories of feedback:

1. This course uses a graduate student for grading of your Discussion Postings, Writings, Vocabulary and Technical Notes. Because all of these can be turned in up to 2 days after the due date, I have the grader score your papers on the third day after the due date. At times, this may slip a day, but I watch this very carefully.

2. I score all of the Examinations myself. I set aside a full day to do the examinations from this class. Thus, if we take an examination on Monday, you should see results either late Tuesday or early Wednesday. On occasion, an administrative problem with the examination may place the reporting of results on hold. I work hard to have this not happen!

COURSE PREREQUISITE: BCIS 110 or equivalent.

OFFICE HOURS: Click Here

COLLEGE OF BUSINESS LEARNING GOALS: Below are the learning goals established by the College of Business. The learning goals that are listed in italics are targeted for improvement in this course:

- **Goal 1: Communication (COMM):** Students are effective communicators.
  - **Objective 1a:** Students can write effectively. (write)
  - **Objective 1b:** Students can make effective oral presentations. (oral)
- **Goal 2: Diversity (DIVERSITY):** Students can demonstrate knowledge of diversity.
  - **Objective 2a:** Students can identify stereotypes.
  - **Objective 2b:** Students can discern between helpful and detrimental stereotypes.
  - **Objective 2c:** Students can identify individual characteristics that affect social perception and strategies that counter negative influence on social perception.
- **Goal 3: Information Technology (TECH):** Students are effective users of information technology.
  - **Objective 3a:** Students can acquire information using relevant information technologies.
  - **Objective 3b:** Students can use information technology to manipulate information into a form usable in business decision making
  - **Objective 3c:** Students can use information technology to disseminate information to others
- **Goal 4: Critical Thinking:** Students can solve problems and think critically.
  - **Objective 4a:** Students can solve problems. (PROB SOLV)
  - **Objective 4b:** Students can think critically. (THINK)
- **Goal 5: Legal and Ethical:** Students can recognize legal and ethical issues.
  - **Objective 5a:** Students can recognize legal issues. (LEGAL)
  - **Objective 5b:** Students can recognize ethical issues. (ETHICS)

CHAPTER LEARNING OBJECTIVES: Click Here

HOW YOUR LEARNING WILL BE MEASURED: Your understanding and ability to explain terminology, advanced information systems concepts, behavioral and organizational issues, international, social and ethical issues will be measured by applying scoring rubrics to your Writings, Discussion postings, Vocabulary Exercises, Technical Notes, and Examinations. The rubrics used to score these work products are given in each exercise. Please review these carefully before doing the work and then review the scoring. If you have questions, please do ask immediately!

PERFORMANCE AREAS: The grades will be determined by combining scores in the following required activities: Technical Notes, Discussions, Writings, and Examinations.

<table>
<thead>
<tr>
<th>Performance Activities</th>
<th>Case 1</th>
</tr>
</thead>
<tbody>
<tr>
<td>Vocabulary Exercises</td>
<td>15%</td>
</tr>
<tr>
<td>TechNotes</td>
<td>15%</td>
</tr>
<tr>
<td>Discussions</td>
<td>15%</td>
</tr>
<tr>
<td>Writing</td>
<td>15%</td>
</tr>
<tr>
<td>Examinations</td>
<td>40%</td>
</tr>
<tr>
<td>Total</td>
<td>100%</td>
</tr>
</tbody>
</table>

LETTER ASSIGNMENT: At the completion of the scoring for the semester, the numeric score will be converted to a letter grade using the following brackets. Please note that once all of the scoring is complete, these brackets may change to some degree. However, the lower bound will ONLY move down. That is >= 90% will be an A, but that lower bound may be lowered to 88.5% for example.

<table>
<thead>
<tr>
<th>Lower Bound, Upper Bound</th>
<th>Letter Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>90, 100</td>
<td>A</td>
</tr>
<tr>
<td>80, 89.9</td>
<td>B</td>
</tr>
<tr>
<td>70, 79.9</td>
<td>C</td>
</tr>
<tr>
<td>60, 69.9</td>
<td>D</td>
</tr>
<tr>
<td>0, 59.9</td>
<td>F</td>
</tr>
</tbody>
</table>

ACADEMIC INTEGRITY  Academic integrity is the pursuit of scholarly activity free from fraud and deception and is an educational objective of this institution. Academic dishonesty includes, but is not limited to, cheating, plagiarizing, fabricating of information or citations, facilitating acts of academic dishonesty by others, having unauthorized possession of examinations, submitting work of another person or work previously used without informing the instructor, or tampering with the academic work of other students. You should refer to page 3 of the Student Code of Conduct [http://www.nmsu.edu/~vpss/SCOC/student_hand_book.html](http://www.nmsu.edu/~vpss/SCOC/student_hand_book.html) for detailed information regarding academic misconduct.
INCOMPLETE GRADES: A grade of "I" (Incomplete) will be assigned only in circumstances in agreement with the current NMSU Undergraduate Catalog. Incomplete grades are to be given only if a student has passed the first half of the course and is unable to complete the course due to circumstances beyond the student's control. (If the circumstances develop during the first half of the course, the student has the opportunity to drop the class.) Examples of appropriate circumstances are documented illness, documented death or crisis in the student's immediate family and similar circumstances. The catalog states that job related circumstances are generally not appropriate grounds for assigning an "I" grade and that this grade is not to be used to avoid assigning a D, F, or U grade.

S/U GRADES: If you are taking this course under the S/U option, you must earn a "C" or better for an undergraduate and "B" or better for a graduate student to receive a grade of "S."

LATE/INCOMPLETE ASSIGNMENT POLICY: Work products with the exception of the examinations can be submitted up to 48 hours late with a reduction of the possible points by 20%. Projects not submitted by that time will not be accepted.

MAKE-UP ASSIGNMENT POLICY: There will be three examinations during the semester. No makeup examinations are planned, but it is important to contact the instructor as soon as possible to discuss your grade computation should you have to miss an examination for health or family emergency reasons. If you are absent because you are on an official NMSU trip and you are unable to access the LMS, contact the instructor ahead of time or as soon as possible to determine makeup procedures. A University approved excuse will be required for an absence to be excused.

LIBRARY USAGE: Students will use the Internet frequently as an online library.

COMPUTER RESOURCES: You will need access to the following computer resources: Connection to the University’s Canvas system in the cloud. This can be through a home connection (dialup, DSL, cable modem, etc.) or through computers in the University’s computer labs. Go to https://learn.nmsu.edu to connect to Canvas. This page also has links that will test your browser for compatibility with Canvas. The Network Vulnerability Laboratory on the 3rd floor of the Business Complex. Flash video content is used requiring the Flash player to be installed on your computer. Also, the Adobe Reader is required to view PDF files. Both of these can be downloaded at no charge from the URL:

The narrated power point shows are downloadable and come with the required player.

GLOBAL/INTERNATIONAL BUSINESS CONTENT: This course will address many of the technologies that are used to conduct international business. In particular, we will examine the foremost technologies used in international exchange of business information.

ETHICS CONTENT: As appropriate, we will consider ethical issues related to the course content. Information is inherently valuable, and you may well be in professional positions to control access to this resource. I encourage you to consider these ethical issues thoughtfully.

POLITICAL, SOCIAL, LEGAL, REGULATORY, ENVIRONMENTAL AND TECHNOLOGICAL CONTENT: A primary focus of this class is the use of today’s technology to implement business systems using the Internet. Therefore, the technology of the Internet will be discussed frequently.

DISABILITIES AND DISCRIMINATION:

Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) covers issues relating to disability and accommodations. If a student has questions or needs an accommodation in the classroom (all medical information is treated confidentially), contact:

Trudy Luken
Student Accessibility Services (SAS)
Corbett Center, Room 244
Phone: 646-6840
Email: sas@nmsu.edu
Website: www.nmsu.edu/~ssd/

NMSU policy prohibits discrimination on the basis of age, ancestry, color, disability, gender identity, genetic information, national origin, race, religion, retaliation, serious medical condition, sex, sexual orientation, spousal affiliation and protected veterans status. Furthermore, Title IX prohibits sex discrimination to include sexual misconduct, sexual violence, sexual harassment and retaliation. For more information on discrimination issues, Title IX or NMSU’s complaint process contact:

Gerard Nevarez or Agustin Diaz
Office of Institutional Equity (OIE) – O’Loughlin House
Phone: 646-3635
Email: equity@nmsu.edu
Website: www.nmsu.edu/~eeo

ACCESSIBILITY STATEMENT:

Our learning management system (LMS) is Canvas which provides a user experience that is easy, simple, and intuitive. Special attention has been paid to making Canvas screen-readable. The Rich Content Editor encourages users to create accessible content pages (i.e. text formatting is accomplished using styles). Canvas is designed to allow limited customization of colors and schemes to be accessible for all users. The National Federation of the Blind granted Canvas the Gold Level Web Certification in 2010. All Writings, Discussions, Technical Notes, and assessments are provided in either accessible content web pages or PDF. The web pages can be read by ReadSpeaker or BrowseAloud and the PDF documents are available using JAWS or WindowEyes. Currently some, but not all, of the videos from YouTube have subtitle capabilities. The Vocabulary exercises uses an interactive interface through the Internet to present content. Please contact me for a copy of this content in a format for screen reading.

GRADE APPEALS: In the unlikely event that you wish to file a grievance with some administrative office or faculty member on campus, check the details of the process in the "General Information" section of the Undergraduate Catalog. Probably the most urgent thing to know about a grade appeal (besides the fact that there is an
applies process) is that you must initiate the process by submitting a written appeal to the faculty member within 30 days of the start of the term following the term in which the grievance occurred. It's not clear whether this includes summer terms, so, to be safe, submit within 30 days of the grievance.

It will be the responsibility of the student to monitor their progress and decide if it is appropriate to withdraw from the class. I will not automatically dis-enroll students for persistent absences or persistent failure to complete assignments.

FREE CAMPUS TUTORING

If you haven’t taken advantage of free Campus Tutoring yet, now might be a good time. Tutors are undergraduates from varying disciplines that are available to assist and support all students. Campus Tutoring is located on the first floor of Corbett Center, on the west end. Tutoring is free and no appointment is necessary. All tutors’ schedules are available at [http://ssc.nmsu.edu/services/campus-tutoring-service](http://ssc.nmsu.edu/services/campus-tutoring-service).

For more information, contact Student Success, Campus Tutoring at 575-646-6050 or email lkirby@nmsu.edu.
