- [ ] Complete in delivering agreed-upon parts of project.
- [ ] Organized in seeking information from resources.
- [ ] Volunteers appropriately during team meetings when tasks need to be accomplished.
- [ ] Pulls fair share with regard to overall work load.

**Demonstration of initiative with regard to project.**

- [ ] Develops ideas constructively with others.
- [ ] Makes helpful suggestions on ways of accomplishing projects.
- [ ] Is a good listener.
- [ ] Seeks input from quieter team members.

**Demonstration of effectiveness in independent work.**

- [ ] Meets deadlines.
- [ ] Demonstrates knowledge in the subject area.
- [ ] Able to solve problems.
- [ ] Effectively incorporates information presented in the course and from other experiences into the project.

Given _______ points to distribute among the members in my group as “pay” for their work, this member should get _______ points.

(Note: You must include yourself in the distribution. You cannot exceed the total amount of points available to distribute. If you distribute more points than given, the excess points will be deducted from your “payment.”)
